

**Ministry of Education and Science of Ukraine  
Odessa National Technological University  
Department of Bioengineering and Water**

**Invites you to take participation in scientific works  
the XIII Scientifically-Practical Conference  
WATER IN FOOD INDUSTRY**

which will be **17 – 18 of November, 2022 in Odessa** at support:

- Associations of water-purifying techniques and cleared waters (AWT)
- Associations of bottled mineral and drinking water of Ukraine
- AL "Odessa mineral water plant" Kuyalnik "

**ORGANIZING COMMITTEE**

**Chairman of the Organizing Committee – Mardar M.**, D. Sc., professor, acting rector ONTU  
**Deputy chairman – Povarova N.** – vice-rector on International Relations of ONTU,  
**Deputy chairman - Kovalenko O.** – Head Department of ONTU, D. Sc., professor

**Participants of the organizing committee:**

**Solonitskaya I.V.** - Director of the educational and technological institute of the food industry of M. V. Lomonosov ONTU, Ph. D., associate professor

**Sarkisyan A.A.** - Dean of the Faculty of Technology of Wine and Tourism Business ONTU, D. Sc., professor

**Strikalenko T.V.** - Professor of the Department of Bioengineering and Water ONTU

**Psahis B.I.** - President of the Association of Manufacturers of Water Purification Equipment and Purified Water, Director of the Scientific and Technical Center “Water Treatment” FHI NASU, Professor

**Zaitseva L.S.** - Director of "Odessa mineral water plant "Kuyalnik

**SECRETARIAT OF THE CONFERENCE**

**Tatyana Grigorieva** - Engineer, Department of Bioengineering and Water, ONTU, mobile number: 095-766-03-00; 098-000-77-20.

**Markina Antonina** - Head of laboratory, Department of Bioengineering and Water, ONTU, mobile number: 068-192-53-13.

**The address of the organizing committee of the conference “Water in food industry”:**

Kanatnaya, 112, Odessa, Ukraine, 65039, Дх-219, Дх- 225  
Odessa National Technological University  
Department of Bioengineering and Water - [www.biv.onaft.edu.ua](http://www.biv.onaft.edu.ua)

### **The main objectives of the conference:**

- - Generalization of the results of fundamental and applied research in the field of water treatment for the needs of the food industry.
- - Discussion of new ideas, development of joint projects.

### **The following issues will be discussed at the conference:**

- 1 Promising technologies, modern reagents, materials and equipment for water treatment and wastewater treatment.
- 2 Innovative approaches to solving drinking water quality and safety problems.
- 3 Bottled water and drinks - actual problems of rationing, production and quality.
- 4 Ecological, energy and economic aspects of water use in food production..

### **Requirements for the design of abstracts of the report**

The Conference languages: Ukrainian, English.

The format A4 and printed on one, two or three fully filled pages with the following parameters: top, bottom, right – 2.0 mm, left – 2.5 mm; headlines – 1.25.

Times New Roman (usual), a line spacing - unary, Arrangement of carryings over is automatic. (Microsoft Word 2003-2010, Times New Roman, regular style, single line spacing, paragraph indent - 0.63 cm, alignment - in width, hyphenation - automatic.

### **The structure of theses:**

- UDC in the upper left corner of the page (12 pt.);
- after one interval - the name of the thesis in bold capital letters in the center of the page (14 pt.);
- further, after one interval, in bold (12 pt.) - the surname and initials of the authors and supervisors, indicating the academic title and scientific degree;
- below, after one interval, in bold (12 pt.) - the full name of the organization, city;
- further, after one interval, the text of the theses of the report is printed in usual font (12 pt.);
- end the thesis with conclusions and a list of information sources (DSTU8302:2015).

Tables, figures, diagrams (black and white) are placed after the mention in the text.

Requirements to the file: the name by the name of the first author (for example: Petrov.doc, docx)

To make a decision on including you in the conference participants and your report in the conference program, you need to send an e-mail to the organizing committee at [voda\\_20@ukr.net](mailto:voda_20@ukr.net):

- - application for participation in the conference;
- - theses of the report.

### **The deadline for submission of applications and abstracts is November 10, 2022.**

Materials that do not meet the above requirements or will be sent after the deadline will not be accepted.

All conference participants will receive an electronic version of the conference materials collection. Participation in the scientific and practical conference "Water in the food industry" in 2022 it is free.
